

# Play by the Rules: Promoting fair and safe behavior in sport

Saturday June 27th 2009 from 1.00 pm to 4.30 pm

places  
available!  
Book now!

It is a Skate Victoria and Inline Hockey Victoria requirement that each Club send at least one person to a free half-day workshop to help clubs recognise, prevent and deal with issues of discrimination and harassment in sport. The workshop will introduce you to Play by the Rules, a new interactive website.

## The program will:

- Explore how discrimination and harassment can happen in sport.
- Identify the relevant laws that apply.
- Identify the relevant policies, complaint procedure and practices that should be in place to assist clubs to meet their responsibilities under these laws.
- Identify what organisations and useful resources are available to assist clubs to ensure their activities are free of discrimination and harassment.
